

**COORDINATING COUNCIL REPORT
PRESBYTERY OF MACKINAC
MAY 18, 2019**

INFORMATION:

Your Coordinating Council met April 9. Considerable time during this meeting was spent discussing our overall mission, trying to determine what God would have the Presbytery do and how to do it. The Coordinating Council is continuing to review our Manual of Operations, our By Laws and the Administrative Commission Report. Individual Council Members and Committees have been asked to address specific issues and report back. This is an on-going process and we expect it to take considerably more time to accomplish.

Your Coordinating Council has the responsibility to appoint members to the Nominating and Representation Committee. We currently need a female Ruling Elder from the Western Lower Peninsula for the class of 2021 and will need to appoint a male from the Eastern Upper Peninsula for the Class of 2022 and a male from the Eastern Lower Peninsula for the Class of 2022 at the September 2019 Presbytery Meeting. One of these individuals needs to be a Ruling Elder and one a Minister of the Word and Sacrament. If you would like to serve, please contact our office manager, Raeann Dunlop, or Council Chair, Richard Wissell at 906-367-1752 or rjwissell@sbcglobal.net.

Respectfully submitted,
Richard A. Wissell, DrPH, Ruling Elder
Coordinating Council Chair
