

The Committee on Education and Leadership Development (E&LD) met on April 4, 2019 with Ruling Elders Al Beamish, Leslie Henderson, and Char Keune and Ministers Rev. Ken Krause (via conference call) and Rev. Kip Murphy (provisional chair).

During this coming year the Committee intends to review the Committee Responsibilities as listed in the Presbytery Manual of Operations and the Tasks described in the Committee Overview. Any recommended changes will be brought to the Coordinating Council.

*Celebrations:* On behalf of the Presbytery the following will be celebrated for the years of ordained ministry:

Rev. Elliot Morrison 65 years

Rev. Ned Edwards 60 years

Rev. David Hall 50 years

In the future we would also like to celebrate Ruling Elders for years of service to their congregations and/or the Presbytery. We would also like to celebrate Ministers of Word & Sacrament who have served in ordained ministry for five years.

*Conference Calls:* Following a suggestion from Raeanne Dunlop, the Presbytery intends to offer Pastor Conference Calls to provide for discussion and cooperation between pastors in the Presbytery. Look for announcements!

*Clerk Training* We are hoping to identify experienced Clerks of Session in each of the four regions of the Presbytery to be available to answer questions and provide guidance to new Clerks of Session. If you would be willing to provide this service, please contact Raeanne Dunlop or Kip Murphy.

*Future Training:* If you have ideas about training that would benefit the Presbytery, please let a member of the Committee know.
