

The Committee on Ministry continues to serve the churches of the Presbytery. Pickford and Escanaba are close to hiring pastors. Traverse City is preparing to hire a new associate. As many of you know, Rev. Nick Cammarata has left the Marquette church due to ongoing health problems. Members of the Committee continue to work with Boyne City, Manistique, and Gould City churches as they look for their next pastor, as well as a number of churches which are discerning their needs and way forward.

The Committee on Preparation have one Candidate under care; one Inquirer who will soon move to candidacy; and one Inquirer who is planning on transferring her membership to another presbytery closer to her seminary.

Respectfully submitted,

Rev. Janice L. Reed
